

Improving the economic well-being of the residents & businesses of Fond du Lac County

Community Services

At Fond du Lac County Economic Development Corporation, we are committed to building the health and vitality of our communities. FCEDC is the only accredited economic development organization in Wisconsin and is guided by a board of directors that is geographically diverse and represents many industry sectors. The expertise¹ and resources of FCEDC give Fond du Lac County communities an advantage over the competition.

Here are just a few of the many services FCEDC provides to our communities:
